

## SERVICE 01 | NTES VISION 2030

# Whole-School Improvement & Transformation

Transform your school with a clear, measurable improvement plan.

## PRIMARY AUDIENCE

School owners, governing bodies, principals, school groups and leadership teams.

## WHAT THIS SERVICE DELIVERS

- Comprehensive school diagnostic and maturity review
- Self-evaluation, strategic planning and leadership review
- Teaching, learning and student-outcome analysis
- Implementation coaching and termly progress review

## TYPICAL CLIENT DELIVERABLES

- Baseline diagnostic report and priority matrix
- Three-year strategic improvement roadmap
- Annual improvement plan with owners and timelines
- Performance indicators and evidence dashboard

## SCHOOL OUTCOMES

SHARED PRIORITIES

MEASURABLE PROGRESS

STRONGER ACCOUNTABILITY

SUSTAINABLE IMPROVEMENT

## OUR APPROACH

We begin with your school's context and priorities, define practical outcomes, then support implementation, capability building and measurable review. Recommendations remain vendor-neutral and proportionate to readiness.

## SERVICE 02 | NTES VISION 2030

# AI-Ready School Strategy & Governance

Build an AI-ready school - safely, strategically and responsibly.

## PRIMARY AUDIENCE

School leaders, boards, academic teams, IT and safeguarding teams.

## WHAT THIS SERVICE DELIVERS

- AI readiness and maturity assessment
- Three-year AI strategy and implementation roadmap
- Approved tools, acceptable use and staff guidance
- Responsible integration in teaching and assessment

## TYPICAL CLIENT DELIVERABLES

- AI readiness score and maturity map
- School AI policy and governance framework
- Approved-tools and risk registers
- Implementation priorities, responsibilities and KPIs

## SCHOOL OUTCOMES

RESPONSIBLE AI USE

STAFF CONFIDENCE

HUMAN OVERSIGHT

PROTECTED STUDENT DATA

## OUR APPROACH

We begin with your school's context and priorities, define practical outcomes, then support implementation, capability building and measurable review. Recommendations remain vendor-neutral and proportionate to readiness.

## SERVICE 03 | NTES VISION 2030

# LMS, SIS & Digital Ecosystem Integration

Connect learning, data and communication in one digital ecosystem.

## PRIMARY AUDIENCE

Schools implementing or improving an LMS, SIS, parent portal or digital environment.

## WHAT THIS SERVICE DELIVERS

- Digital ecosystem and requirements analysis
- LMS selection, configuration and implementation planning
- Assessment, reporting and parent-portal workflows
- Permissions, migration and staff adoption support

## TYPICAL CLIENT DELIVERABLES

- Digital architecture and integration blueprint
- Vendor-neutral platform evaluation
- Data-flow, access-role and permission matrix
- Migration, training and adoption plan

## SCHOOL OUTCOMES

RELIABLE INFORMATION

LESS DUPLICATION

CONSISTENT TEACHING

IMPROVED COMMUNICATION

## OUR APPROACH

We begin with your school's context and priorities, define practical outcomes, then support implementation, capability building and measurable review. Recommendations remain vendor-neutral and proportionate to readiness.

## SERVICE 04 | NTES VISION 2030

# School Intelligence & AI Dashboards

Turn school data into timely, practical decisions.

**PRIMARY AUDIENCE**

School owners, boards, principals, academic leaders and student-support teams.

**WHAT THIS SERVICE DELIVERS**

- Leadership and school-performance dashboards
- Progress, attainment, attendance and behaviour analysis
- At-risk student and intervention indicators
- AI-assisted summaries with responsible human review

**TYPICAL CLIENT DELIVERABLES**

- KPI framework and data dictionary
- Leadership, academic and department dashboards
- Student-support and intervention tracker
- Alert thresholds and performance-review workflow

**SCHOOL OUTCOMES****EARLIER INTERVENTION****FASTER REPORTING****EVIDENCE-LED DECISIONS****CLEAR ACCOUNTABILITY****OUR APPROACH**

We begin with your school's context and priorities, define practical outcomes, then support implementation, capability building and measurable review. Recommendations remain vendor-neutral and proportionate to readiness.

## SERVICE 05 | NTES VISION 2030

# Teacher & Staff Development Academy

Develop confident, future-ready educators and staff.

## PRIMARY AUDIENCE

Leaders, teachers, teaching assistants, administrators, IT and support teams.

## WHAT THIS SERVICE DELIVERS

- Role-based digital and AI competency assessment
- Leadership, teacher, administration and IT pathways
- Digital pedagogy, differentiation and responsible AI
- Coaching, mentoring and implementation support

## TYPICAL CLIENT DELIVERABLES

- Staff competency map and needs analysis
- Progressive professional-learning pathways
- Workshop resources and coaching plan
- Impact and classroom-implementation report

## SCHOOL OUTCOMES

ROLE-RELEVANT LEARNING

SAFER TECHNOLOGY USE

STRONGER CHAMPIONS

VISIBLE IMPLEMENTATION

## OUR APPROACH

We begin with your school's context and priorities, define practical outcomes, then support implementation, capability building and measurable review. Recommendations remain vendor-neutral and proportionate to readiness.

**Arrange a Staff Capability Assessment**

## SERVICE 06 | NTES VISION 2030

# AI & Emerging Technology Curriculum

AI and emerging-technology learning from Early Years to secondary.

**PRIMARY AUDIENCE**

Schools seeking a coherent, age-appropriate K-12 technology pathway.

**WHAT THIS SERVICE DELIVERS**

- Digital safety, computational thinking and programming
- Data, robotics, IoT, applied AI and automation
- Ethics, privacy, misinformation and academic integrity
- Projects, assessment, differentiation and teacher guidance

**TYPICAL CLIENT DELIVERABLES**

- Whole-school progression map by grade band
- Schemes of work, lesson resources and projects
- Assessment rubrics and student portfolios
- Teacher notes and implementation guidance

**SCHOOL OUTCOMES****COHERENT PROGRESSION****RESPONSIBLE AI LITERACY****PRACTICAL PROJECTS****FUTURE PATHWAYS****OUR APPROACH**

We begin with your school's context and priorities, define practical outcomes, then support implementation, capability building and measurable review. Recommendations remain vendor-neutral and proportionate to readiness.

## SERVICE 07 | NTES VISION 2030

# Smart STEAM & Emerging Technology Labs

Design a smart STEAM lab that students actually use.

## PRIMARY AUDIENCE

Schools planning makerspaces, AI labs, robotics labs or innovation centres.

## WHAT THIS SERVICE DELIVERS

- Needs assessment and learning-space design
- Robotics, IoT, 3D design and prototyping options
- Vendor-neutral equipment and software specification
- Safety, curriculum integration and staff readiness

## TYPICAL CLIENT DELIVERABLES

- Lab concept, zoning and floor plan
- Tiered equipment and procurement specification
- Safety procedures and risk assessment
- Curriculum-project map and training plan

## SCHOOL OUTCOMES

PURPOSEFUL INVESTMENT

SAFE LEARNING SPACES

TEACHER CONFIDENCE

VISIBLE INNOVATION

## OUR APPROACH

We begin with your school's context and priorities, define practical outcomes, then support implementation, capability building and measurable review. Recommendations remain vendor-neutral and proportionate to readiness.

## SERVICE 08 | NTES VISION 2030

# School Management & Operational Improvement

Simplify school operations. Improve service. Save time.

## PRIMARY AUDIENCE

Owners, principals, operations managers, registrars and support departments.

## WHAT THIS SERVICE DELIVERS

- Admissions, onboarding and administration review
- Timetabling, reporting and examination processes
- Procurement, assets and document-management workflows
- Process redesign, digitisation and suitable automation

## TYPICAL CLIENT DELIVERABLES

- Current-state and future-state process maps
- Bottleneck, duplication and risk analysis
- Digital forms, approvals and responsibility matrix
- Operational indicators and change-support plan

## SCHOOL OUTCOMES

FEWER MANUAL ERRORS

FASTER SERVICES

CLEAR RESPONSIBILITIES

MORE STAFF CAPACITY

## OUR APPROACH

We begin with your school's context and priorities, define practical outcomes, then support implementation, capability building and measurable review. Recommendations remain vendor-neutral and proportionate to readiness.

**Request a School Operations Review**

## SERVICE 09 | NTES VISION 2030

# Quality Assurance & Educational Performance

Build a culture of quality, evidence and continuous improvement.

## PRIMARY AUDIENCE

School leaders, quality teams, departments and inspection or accreditation teams.

## WHAT THIS SERVICE DELIVERS

- Self-evaluation and whole-school quality framework
- Teaching, curriculum and department reviews
- Assessment moderation and internal verification
- Inspection, accreditation and evidence preparation

## TYPICAL CLIENT DELIVERABLES

- Quality framework and performance index
- Review tools, rubrics and evidence templates
- Audit and moderation reports
- Action tracker and leadership summary

## SCHOOL OUTCOMES

RELIABLE ASSESSMENT

CONSISTENT PRACTICE

CLEAR EVIDENCE

CONTINUOUS REVIEW

## OUR APPROACH

We begin with your school's context and priorities, define practical outcomes, then support implementation, capability building and measurable review. Recommendations remain vendor-neutral and proportionate to readiness.

**Arrange a Quality Performance Review**

## SERVICE 10 | NTES VISION 2030

# Cybersecurity, Privacy & Child-Data Protection

Protect students, staff and school data.

**PRIMARY AUDIENCE**

Boards, leaders, IT, safeguarding and data teams adopting cloud or AI platforms.

**WHAT THIS SERVICE DELIVERS**

- School-data and cybersecurity risk assessment
- Student-data inventory and access-control review
- Cloud, AI and vendor privacy evaluation
- Incident readiness, recovery and staff awareness

**TYPICAL CLIENT DELIVERABLES**

- Risk register and prioritised security roadmap
- Data inventory, access matrix and retention schedule
- Incident-response and escalation procedure
- Awareness resources and recovery plan

**SCHOOL OUTCOMES****REDUCED DATA RISK****INCIDENT READINESS****SAFER AI ADOPTION****COMMUNITY TRUST****OUR APPROACH**

We begin with your school's context and priorities, define practical outcomes, then support implementation, capability building and measurable review. Recommendations remain vendor-neutral and proportionate to readiness.

## SERVICE 11 | NTES VISION 2030

# Student Innovation & International Participation

Take student innovation beyond the classroom.

**PRIMARY AUDIENCE**

Schools seeking competitions, international projects and innovation programmes.

**WHAT THIS SERVICE DELIVERS**

- AI, robotics and STEAM innovation pathways
- Challenges, competitions and international collaboration
- Mentoring, research, entrepreneurship and prototyping
- Portfolios, exhibitions and community-impact showcases

**TYPICAL CLIENT DELIVERABLES**

- Annual student-innovation programme
- Competition and partnership calendar
- Project, mentoring and judging frameworks
- Portfolio templates and impact report

**SCHOOL OUTCOMES****STUDENT OWNERSHIP****GLOBAL COLLABORATION****AUTHENTIC AUDIENCES****VISIBLE ACHIEVEMENT****OUR APPROACH**

We begin with your school's context and priorities, define practical outcomes, then support implementation, capability building and measurable review. Recommendations remain vendor-neutral and proportionate to readiness.

## SERVICE 12 | NTES VISION 2030

# Inclusion, Access & Appropriate Technology

Future-ready education for every learner and every school.

## PRIMARY AUDIENCE

Schools with varied infrastructure, diverse learning needs or limited budgets.

## WHAT THIS SERVICE DELIVERS

- Digital-access and infrastructure assessment
- Low-bandwidth, offline and shared-device models
- Accessible content and assistive technologies
- Inclusive curriculum, staff capability and family voice

## TYPICAL CLIENT DELIVERABLES

- Access and inclusion baseline report
- Low-cost phased technology roadmap
- Accessibility and assistive-technology recommendations
- Teacher inclusion and differentiation toolkit

## SCHOOL OUTCOMES

EQUITABLE ACCESS

SUSTAINABLE SCALING

GREATER PARTICIPATION

CONTEXT-FIT TECHNOLOGY

## OUR APPROACH

We begin with your school's context and priorities, define practical outcomes, then support implementation, capability building and measurable review. Recommendations remain vendor-neutral and proportionate to readiness.

**Request an Inclusive Learning Assessment**
