TYPICAL CLIENT DELIVERABLES

- AI readiness score and maturity map
- School AI policy and governance framework
- Approved-tools and risk registers
- Implementation priorities, responsibilities and KPIs

SCHOOL OUTCOMES

RESPONSIBLE AI USE

STAFF CONFIDENCE

HUMAN OVERSIGHT

PROTECTED STUDENT DATA

OUR APPROACH

We begin with your school's context and priorities, define practical outcomes, then support implementation, capability building and measurable review. Recommendations remain vendor-neutral and proportionate to readiness.
